About Me

Creative Designer and Frontend Developer passionate about creating beautiful, functional websites and user experiences. Currently pursuing Computer Science with expertise in modern web technologies, AI/ML, and design tools.

Education

BS in Computer Science , FAST NUCES, Karachi   2023 – Present
- CGPA: 3.73/4.0

Certification in Open Source LLMs of Hugging Face   2025
- Certified in Natural Language Processing and AI model development
- Expertise in transformer models and machine learning pipelines

Projects

ESTORA - Where Creativity Meets Magic
- A creative frontend web platform for designers offering mood-based palette generation and themed color collections
- Features palette export, copy-to-code functionality, dragon design challenges, and an interactive palette gallery
- Encourages creative exploration and rapid UI inspiration with a focus on user experience and aesthetics

FLASHLEARN - Your AI Learning Hub
- An AI-powered study assistant with an elegant frontend that includes study tips, flashcard quiz generation
- Offers dark/light themes, grammar checking, and writing templates for proposals, resumes, cover letters, and emails.
- Features real-time AI content analysis and improvement suggestions for enhanced productivity

TalkaTrim – English Summarizer & Urdu Translator
- A bilingual AI tool that summarizes English text and translates it into Urdu for enhanced accessibility
- Built using Python, Gradio, and Hugging Face LLMs for interactive user experience and efficient language processing

Skills

Programming Languages: Python, C, C++, HTML5, CSS3, JavaScript

Frontend Technologies: Tailwind CSS, Responsive Design

AI & Machine Learning: Machine Learning, Hugging Face, Gemini API, Google Colab, Gradio

Tools & Platforms: Git & GitHub, Canva, Overleaf, Cursor AI

Experience

Social Media & Outreach Cohead, AWS Cloud Club
- Managed social media presence and outreach initiatives for AWS Cloud Club
- Promoted cloud computing awareness and community engagement

Media & Promotions Cohead, ACM SE
- Oversaw media strategies and promotional activities for ACM SE
- Enhanced community engagement and visibility for the organization
